

Spring 2017 Exam Schedule

Requests to be excused from an examination: See College of Law Rules, Section 7.02. The following are the only grounds on which a student may request to be excused from an examination:

- a) The student has two examinations scheduled on the same day ('take home exams' are excluded); or
- b) An emergency has arisen; or
- c) It has become impossible or impracticable for the student to take the examination at the scheduled time; or
- d) The student has three exams in a row in the same week.

The student must request the excused absence and consult with the Assistant Dean for Academic and Student Affairs prior to the examination, or if prior consultation is not possible, then as soon as possible following the examination. It is within the Dean's discretion to grant or deny the request.
